

# Islamic Society of Greater Manchester

April 2008

Dear Prospective Donor

For the past 10 years, ISGM has rented a small place in Manchester where local Muslims come for prayer services. This facility has been used for regular prayers, Sunday Islamic School for children, interfaith-based programs as well as social, community based and charitable events. For a while now, we have been trying to raise funds to build the first mosque (place of worship) in New Hampshire.

We are an apolitical organization that helps our members learn more their faith and teach people to help all communities regardless of race, color or religion while promoting peace, tolerance and respect.

By the grace of God, we have finally been able to raise enough funds to complete the land development and completing the foundation of the mosque. We on behalf of ISGM, are asking for your help in building our mosque. We are holding our next fundraiser on May 4<sup>th</sup>, 2008 and would like your company to help in form of advertisement or donation to cover the cost of this event.

Thank you for your time. If you have any questions regarding this project, please feel free to contact any one of our trustees via the [www.isgm.org](http://www.isgm.org) web site.
